Letter to Camp Families

Hello SSA Families!

We are delighted to see you this summer! This year, SSA will host sleep-away camp sessions at the new and beautiful location of Fortune Lake Lutheran Camp in Crystal Falls, Michigan. Additionally, SSA will host a one-week chamber music day camp session in Marquette, Michigan.

As you well know, the COVID-19 situation is dynamic and ever-changing. SSA will do its absolute best to keep everyone safe while we operate this summer. SSA will be adhering to a set of COVID-19 policies, which you can review in this document.

Over the past 39 years, one key to SSA's success has been the significant investment we make in earning and maintaining the trust of parents and students alike. Facilitating a fun and musical experience in a physically and emotionally safe environment is our priority.

This handbook includes information that will ensure camp is full of fun and wonderful memories. Please read it carefully and let us know if you have questions or need any additional information. We can't wait to see all of those smiling faces and work with enthusiastic and musical campers! See you soon!

Sincerely,
Dani

Tips from the Pros

Ahhhhhh, summertime... The sun is shining, birds are chirping, and dozens of kids are romping around camp. Summer is the heart of SSA's mission and educational programming: kids, staff, and creative string music!

- On the first day of camp, you'll be asked to confirm contact and health information about your child(ren).
- Please allow a little extra time for drop off on the first day of camp.
- It's not unusual for some children to have a hard time saying goodbye. One thing to remember is that a drawn-out goodbye makes the transition harder for some kids. Most campers recover quickly and end up having a good day. If there are any ongoing concerns, we'll be sure to call.
- Remember your sunscreen and insect repellent!
- Please label your child's clothes and belongings with names or initials.

Cancellation Policy

SSA Camp offers these refund options upon written request and in accordance with the following timeline:

Chamber Music Day Camp refund policy:

- More than 2 weeks prior to the first day of camp: you will be issued a full refund, minus a \$50 non-refundable deposit.
- If cancellation occurs less than 2 weeks before the camp session, no refund will be granted.
- We will not prorate tuition fees for late arrival or for attending partial weeks. Dismissal from the camp program for behavior problems is non-refundable.

Camp Vivace and Camp Presto (sleep-away camp) refund policy:

- A camp reservation requires a non-refundable deposit of \$100, which is included in the total camp tuition fee. If written notice of cancellation arrives 20 or more days before the first day of the camp session, all payments made, except the non-refundable \$100 deposit, will be refunded.
- If cancellation occurs less than 20 days before the camp session, no refund will be granted.
- We will not prorate fees for late arrival or for attending partial weeks. Departure from the camp program due to homesickness or dismissal for behavior problems is non-refundable.

Your deposit is non-refundable except for the following reasons:

- A medical condition or death in the family prevents the camper from participating in the program. (A written excuse from the camper's physician may be requested.)
- Camper tests positive for COVID-19 or other communicable disease prior to arrival. Should symptoms of communicable disease appear while at camp, refunds will be prorated based on the number of nights camper was on-site.
- SSA cancels the camp session and cannot find a suitable alternative. A full refund will be issued based on payments received.

Superior String Alliance is a small non-profit organization which is funded primarily through earned income from camp tuition. Because our organization sustains significant administrative costs associated with managing operations, we wish to provide opportunities for those who are invested in supporting the mission and longevity of the camp. If you are in a position to donate any portion of your refund-eligible tuition to our organization, you can help to support our ability to meet year-round operating costs, maintain our scholarship funds, and ensure the future of our programs. Donations are tax-deductible. More info about how to donate can be found at the end of this handbook.

 - Extensive staff training on child development, behavior management, emergency response, bullying prevention, and more.
 - A staff-to-camper ratio of 1 to 4.
 - Educating campers about common hazards in the camp environment (e.g. poison ivy, biting/stinging insects, snakes, ticks).
 - An organizational emphasis on engagement that places our experienced staff right next to your child while they learn, connect, and play.
-

Water Safety

** This policy pertains to sleep-away camp at Fortune Lake.*

SSA Camp/Fortune Lake only offers swimming at the designated water-front area at the Fortune Lake Lutheran Camp. Firm, clear boundaries and water safety rules will be explained to campers at the outset of swim time each day. Certified lifeguards and the Camp Nurse will always be on duty during swim time. Each camper and staff member is required to take a swimming assessment in order to get in the water .

While swimming, campers will always:

- Be in full sight of trained, certified lifeguards, the Camp Nurse, and extra counselors
- Routinely practice safety drills and use the “buddy” system
- Be permitted to swim in appropriate designated swimming areas corresponding to swimming ability
- Have multiple opportunities to retake their swimming assessment under lifeguard supervision

COVID-19 and Communicable Diseases Safety Policy

SSA takes the health and safety of our employees and program participants very seriously. The worldwide coronavirus (COVID-19) pandemic and associated government-mandated operational phases and similar orders in many communities underscore the risks associated with any programming. SSA is committed to remaining vigilant in mitigating any outbreak. To accomplish this, we ask parents/guardians to please understand that:

1. **If anyone in your household has had COVID for any duration of the 12 days before the first day of your child's camp session, your child can no longer attend camp.**
2. **All SSA Camp staff members and SSA campers will be required to test negative for COVID-19 when arriving at Camp Vivace and Camp Presto.** SSA will provide rapid tests at Fortune Lake during check-in.
3. While SSA Camp participants are not required to have the COVID-19 vaccine, SSA requires parents to submit a complete, up-to-date vaccination/immunization record for their child as a part of the camp health record (Camp Vivace and Camp Presto). This is an official document from your doctor's office that notes the comprehensive set of **all** of your child's vaccinations.
4. All SSA Camp participants may complete a Daily Symptom Screener while at camp, and may continue to take rapid tests depending on COVID-19 numbers in our area during camp time.
5. The presence of any of the symptoms below generally suggests a child has an infectious illness and should not attend camp, regardless of whether the illness is COVID-19.
 - Temperature of 100 degrees Fahrenheit or higher
 - Sore throat
 - Cough (for campers with chronic cough due to allergies or asthma, a change in their cough from baseline)
 - Difficulty breathing (for children with asthma, a change from their baseline breathing)
 - Diarrhea or vomiting
 - New onset of severe headache, especially with a fever

6. Campers should also stay home if they:
- Are in quarantine due to exposure to an individual with a confirmed case of COVID-19 or
 - Have other signs of illness

SSA Camper Code of Conduct

Hello Campers!

By reading the SSA Camper Code of Conduct with your parent/guardian and by your parent/guardian signing the Code of Conduct authorization in your registration form, you are agreeing to abide by SSA rules and understand that you may be removed as a participant if you violate any of these rules.

BULLYING AND HARASSMENT POLICY

Harassment is prohibited between members of the SSA community, including communication of any form between campers, parents, faculty and/or staff, and any third parties directly or indirectly. We are committed to maintaining a working and learning environment in which participants can develop intellectually, professionally, personally, and socially. Bullying and harassment will not be tolerated and shall be just cause for disciplinary action.

Below are examples of poor behaviors that are prohibited, but are not limited to this list. These behaviors will result in disciplinary action.

- Abusive language towards a staff member or another participant.
- Verbal, physical, or visual harassment of another participant or staff member.
- Actual or threatened violence toward any individual or group.
- Conduct endangering the life, safety, health or well-being of others.
- Bullying or taking unfair advantage of any participant.
- Failing to cooperate with a staff member.
- Sending or posting discriminatory, harassing, or threatening messages or images.
- Sending or posting messages that defame or slander other individuals.
- Recording any class session and transmitting it.

- Recording your teacher and/or fellow students without permission.
- Participation in cyber-bullying and/or harassment.

PHOTO AND VIDEO POLICY

It is really important to remember that while campers are permitted to have disposable or other non-phone cameras, only SSA is allowed to share photographs or recordings of students taken during SSA activities. This rule is for the safety of everyone. So please understand that:

- Only designated SSA staff are allowed to transmit any recording or photograph of any SSA activities.

SOCIAL MEDIA POLICY

At Superior String Alliance we understand that the internet and social media platforms are continually changing, but there are certain principles that remain constant. To ensure that Superior String Alliance remains a safe and supportive environment for all participants, the following policies are in place. Failure to comply with the policies listed below may result in disciplinary action.

- Students under 18 years of age and/or who have not graduated from high school will refrain from friending or following staff members' private social media accounts.
- Staff will refrain from friending or following the private social media accounts of students under 18 years of age and/or who have not graduated from high school.
- No communication between staff and students will occur in private messages on social media.
- All pictures and recordings of SSA activities with campers can only be posted through SSA social media pages, and only with the express permission of pictured campers and their parents provided at the time of registration. You are more than welcome to share SSA's social media posts on your own social media accounts.

Behavior Management and Discipline Policy

Our primary goal is to maintain a physically, emotionally, and intellectually safe environment for all participants. Our role in any behavior management situation is to promote the camper's safety, comfort, and growth. We strive to prevent problematic behaviors and we avoid punishment as it removes a growth opportunity. Being proactive and preventative, using proximity and positive messages, and giving specific feedback are constant themes throughout staff training and are easily seen in our daily interactions with children. We also try to identify what may be driving the behaviors. Is the camper hungry? Angry? Lonely? Tired?

Disrespectful behavior is often a precursor to unsafe behavior. To keep children safe, we strive to identify and redirect disrespectful behavior as it occurs. When redirection is unsuccessful or when instances of unsafe conduct occur, we follow these general steps:

1. Reconnect with the camper - listen, communicate calmly, validate their feelings, reflect what we hear. We will reiterate or clarify expectations, making sure they understand, and let them know the next steps.
2. Give the camper a clear verbal warning.
3. Remove the camper from the group to have a longer conversation. Engage the camper with leading questions that get them to think about what's going on. e.g. "Tell me what happened?" "What do you think should happen now?" Throughout, we will maintain connection with the camper in whatever way is comfortable and appropriate for that particular camper.
4. If the unacceptable behavior continues, or if the camper threatens the emotional or physical safety of themselves or anyone else, our staff will contact you (the parent/guardian) to build an agreed-upon action plan.

Any instance of direct physical, emotional, or sexual harm will result in the immediate removal of the camper from the group and a call home. Such instances could result in expulsion from camp. No refund will be given in such cases.

How to Donate

Every child deserves the opportunity to attend SSA programming, no matter what their financial circumstances may be. With donor and grant support, we can help students from all walks of life:

- Make new friends.
- Have fun and create.
- Learn about music and make connections with the world around them.
- Try and succeed at doing new things outside their comfort zone.
- Become more kind, curious, and confident.

Let's work together to make SSA an equal opportunity life-changer for any child who wants to participate in our programs! If you are able to donate to SSA, please know that all amounts are deeply appreciated.
